Administration Gravely Concerned Over Strike Settlement Situation

Particularly Lewis' New Demand That the Non-Union Fields Be Included.

LEADER HAS LOST HIS HEAD

At a Critical Time and Is Not Satisfied With Tremendous Advantages Already Won, Is Feeling in Washington; Bituminous Answer on Monday.

By George H. Cushing
Special Correspondent of The Courier.

WASHINGTON, July 13.—The President will not get his answer from the coal miners and operators until Monday. He would be an extremely good guesser who could tell today what that answer will be. It is likely to prove a surprise to the whole country.

Consideration through several days by the miners of the proposal of the President has convinced them that they have won a far greater victory than they expected and perhaps greater than the President intended when he put across that hurried decision. The miners now assert that as things stand they have won these various points:

1—They had asked for the same wage scale as was in effect prior to April 1. That has been extended at least until the first of next March.

2—They had asked for the check off. That by the Harding proposal has undoubtedly been extended.

3—They had asked for the revival of the joint interstate wage conference in the central competitive field or a national agreement. They got that and more. They got a national commission which must—because it cannot be sub-divided—sit as a unit upon not only the whole of the bituminous wage scale but upon anthracite scale as well.

4—Because so many matters are before the commission and because all hearings must be allowed in each matter they have won practically an unlimited delay in the matter of reaching an agreement.

Taking all of these things into account [illegible] said that the miners' officers are delighted as a whole with the Harding proposal. At the minute the officials here are considering whether they are not justified in asking for more. In a purely tentative way John L. Lewis has put out a feeler. He has called attention to the fact that there are 40,000,000 tons of annual production which have not been brought into this hearing. He refers of course to the non-union fields which have of late been producing close to 6,000,000 tons of coal per week.

Your correspondent was this morning in touch with various officials of the government. They are worried over this new demand of the miners. They believe Lewis will insist on bringing in the non union fields. They know that West Virginia will resist. They feel that the union is not be satisfied with merely [illegible] this take. It may [illegible] the entire trade and even as they put it the Administration into subjection to itself. The feel that Mr. Lewis is [illegible] too hard a bargain and one which it will prove impossible [illegible] Administration to [illegible] the operators of the country to consent to [illegible] that Lewis [illegible] his head at a [illegible] and is not satisfied with [illegible] tremendous advantages [illegible] going too far to say that the Administration is worried.

Continued on Page Two

SITUATION UNCHANGED

Quiet Marks Continuance of Shop Strike; Men Paid Off.

The shop strike situation here is still very quiet, it is reported today. There have been no [illegible] on the Connellsville division so far [illegible] the strikers do not seem to [illegible] any hostile frame of mind. [illegible] may be seen in various places [illegible] little groups and discussing the situation but no vicious words [illegible].

Today is the final pay day for those who walked out according to [illegible] at [illegible] of the roads. [illegible] the various crafts are receiving pay for time in the past two weeks and passes and any other railroad property are being collected.

The situation of the company [illegible] still remains much used. The [illegible] is crippled very much [illegible] unable to place sufficient employees [illegible]. Passenger trains are being kept as close to schedule as possible and freight service is the best that may be expected under hampered conditions.

Workmen Sent From State.

DENISON, Tex., July 13.—Two imported workmen were seized today by a band of men and taken to the Red River five miles north of here where they were lectured and told to leave Texas. They were seized when they alighted from a northbound Missouri Kansas & Texas train No. [illegible] The other men escaped the band and are being sought for.

W. H. Friend on Vacation.

W. H. Friend, city mail carrier of Route No. 1, started on his vacation this morning.

Trotter Water Company to Build Filtration Plant

The State Department of Health has approved plans of the Trotter Water Company for the construction of a filtration plant in Dunbar township to be located at [illegible] understood [illegible] the pumping station of the company along the Youghiogheny river [illegible] the stream from South Connellsville. A [illegible] er supplied to coke [illegible] out [illegible].

Plans for a filtration plant to be erected [illegible] Company at [illegible] have been approved. [illegible] reset on [illegible] place.

Approval [illegible] for improvement [illegible] Ethel Springs [illegible] Mount [illegible] burg and plans for [illegible] sed [illegible].

Permission has been given the borough of South Connellsville to construct sewers [illegible] tension of the time to permit [illegible] discharge [illegible] Youghiogheny river.

The borough of Fell [illegible] directed to submit a plan for a comprehensive sewage disposal system.

Malady Resembling That on West Side At Mechanicsburg

MECHANICSBURG, July 1.—Investigation of an outbreak of a strange malady which [illegible] more than 30 persons here including 11 children in the Methodist Orphanage was begun by physicians of the State Department of Health's division of contagious diseases [illegible] indicated [illegible] ptomaine poisoning in some respect.

From the above symptoms [illegible] Mechanicsburg [illegible] which [illegible] week [illegible] cause of [illegible] recovery [illegible].

[illegible]

Masked Motorists Attack Roundhouse And Kidnap Workmen

OROVILLE, Cal., July 13.—Nine [illegible] injured several [illegible] and [illegible] a family [illegible] the Western Pacific [illegible] The attack [illegible].

[illegible] were [illegible] They [illegible] roundhouse. All of [illegible] injured [illegible].

Excursions Are Cancelled Because Shopmen's Strike

Burgess L. S. Mellinger Is Found Dead in Bed in His Room at Hotel at Dawson

Discovery Made When Child of Proprietor Goes for Morning Romp.

HEART DISEASE IS CAUSE

While Not Ill, Executive Had Complained Evening Before of Pain in Chest and Heart; Twice Elected Burgess of Town, Formerly Architect.

Running into the room of Burgess L. S. Mellinger at the Dawson House Dawson this morning and clambering onto the bed of the executive for [illegible] his almost daily custom little Jesse Haas, seven years [illegible] of Mr. and Mrs. Otto Haas, proprietors of the hotel, was not greeted with the usual cheery smile [illegible] attempting to [illegible] burgess [illegible] went down stairs and told his mother that "Doc" as [illegible] him wouldn't play.

"There's something wrong with [illegible] and he won't [illegible]" he said.

When Mr. Haas and others about the hotel hurried to his room they found the burgess dead.

A physician pronounced death due [illegible] heart disease [illegible] commonly known as neuralgia [illegible].

While in his usual health Wednesday Burgess Mellinger complained in the evening of a pain in his chest and [illegible] oppression [illegible]. He retired [illegible] 6 o'clock and is believed to have died early in the night.

Dr. Mellinger was a likeable individual [illegible] friend of all. To meet him was [illegible] greeted with a smile and a hand [illegible].

As [illegible] of the community Burgess Mellinger [illegible] first rank. He was one of the best burgesses [illegible] more interested in [illegible] community's affairs than any [illegible] for a long [illegible] good citizen [illegible] the welfare of the community at heart and who sought [illegible] better place in which [illegible] leader in [illegible].

Elected burgess [illegible] for a term of four [illegible] an overwhelming majority [illegible] Mellinger was elected to an [illegible] years almost [illegible] opposition. Both times he [illegible] all agreed, [illegible].

[illegible] Mellinger was born [illegible] township, a son of [illegible] David [illegible] Margaret [illegible] a study of architecture [illegible] one of years [illegible] work in Tennessee [illegible] while there he [illegible] and built a summer home [illegible] P. Morgan in the mountain [illegible] Tennessee [illegible] Pittsburg [illegible] following he [illegible] Dawson [illegible] years ago and had [illegible] coal and other [illegible]. He recently bought several hundred acres of coal in Ohio and [illegible] holdings in the [illegible] Creek Valley. Two or three [illegible] the Investors Oil [illegible] Company which sank two wells [illegible] Tyrone township [illegible] producer. The company had contemplated another in [illegible] township.

Mr. Mellinger was a member of the Knights of Malta.

The late burgess was a brother of [illegible] Mellinger of Perryopolis, who died recently and of Peter L. Mellinger, a well known Fayette [illegible] several years ago. He is survived by two brothers, Joseph [illegible] Perryopolis and John in Ohio and [illegible] sisters, Mrs. Betty Herrington, [illegible] Mrs. Rebecca Shoaffler, [illegible] City, and Mrs. Charles Swearingen [illegible].

[illegible] Mellinger had lived at the Dawson House [illegible] years.

Fireworks Monday Night.

[illegible] are arranging to give a fireworks display at [illegible] Field next Monday night. The affair is being arranged by local [illegible] who are desirous of witnessing a display of pyrotechnics. It is planned to have a band out during the afternoon and in the evening also.

Lutherans Ready For Outing Friday, Shady Grove Park

Plans have been completed for the Lutheran Sunday school outing at Shady Grove. [illegible] the first leaving at 10 o'clock will be run for the accommodation of the picnickers and free tickets will be distributed [illegible] West Penn waiting room to all members of the [illegible] under 10 years of age.

An interesting program has been arranged for the afternoon, starting at 2 o'clock. [illegible] will begin at [illegible] o'clock with a baseball game between the Connellsville and Uniontown congregations, which will take place at 2 o'clock. The invocation will be delivered by Rev. [illegible] Glenn of Scottdale. An address will be given by Rabbi [illegible] of Pittsburg. Rev. W. H. Hetrick [illegible] Connellsville church will pronounce the benediction.

[illegible] will leave Scottdale at [illegible] o'clock.

Banquet for Baraca Class

Having won the membership contest conducted by [illegible] classes of the First Baptist Sunday School, the Baraca Class, composed of young men of the church, will be tendered a banquet tonight at [illegible] o'clock at the church [illegible] over [illegible] will be [illegible] out [illegible].

Outlook Club Holds Picnic

The annual picnic of the Outlook Club was held yesterday at Shady Grove Park with about twenty members and friends of the club in attendance. The picnickers left here on the 10:30 o'clock [illegible] a delightful day at the park [illegible] ing the outing was an elaborate dinner and supper consisting of [illegible] picnic delicacies of the season.

New Wilmington Day

The regular meeting of the Y. P. C. U. of the First Presbyterian church will be [illegible] tomorrow night [illegible] o'clock in the church and is the [illegible] ing [illegible] of [illegible] and others who [illegible] invited. During the [illegible] meeting, New Wilmington Day will be observed and a most attractive program including field day exercises [illegible] for the occasion. A collection will be taken to help defray the expenses of delegates to the missionary conference at New Wilmington.

Carrie Kenyon Auxiliary

The regular meeting of the Carrie Kenyon Auxiliary of the Woman's Foreign Missionary Society of the First Methodist Episcopal Church will be held tonight at the home of Mrs. Gertrude [illegible] in East Green street. The committee is composed of Mrs. John Kifert, Mrs. Elmer Snyder, Mrs. Harry Re[illegible] and Mrs. Lauretta Lou Cowan.

Moonlight Picnic

Geisler's farm near Liesenring No. 1 was the scene of a very enjoyable moonlight picnic given last night by a committee of twelve young [illegible] of Connellsville. The guests were conveyed to and from the farm in trucks, leaving the postoffice at 8 o'clock. Dancing in the barn and vocal and instrumental music were the amusements. Dainty refreshments were served.

Bible Class to Meet.

A meeting of the [illegible] Bible Class of the First Baptist Church will be held tonight at the home of Miss Elsie McBurney in Wills road.

"Reds" Win Golf Match

The first golf match of the season between the teams of the Woman's Golf Association of the Uniontown Country Club yesterday afternoon was won by the "Reds," the score being 23-17. [illegible] planned to hold a match every other Wednesday and some interesting contests are anticipated.

Mrs. Lightburn to Entertain

Mrs. Charles B. Lightburn will entertain at cards this evening at her home in North Sixth street.

Sickles-Crawford.

Miss [illegible] A. Sickles and Arthur Crawford, both of Uniontown, were married Wednesday evening in Uniontown by Rev. L. A. Hodil, pastor of the Third Presbyterian Church.

PERSONALS

Mr. [illegible] Stader and son [illegible] of New York arrived here yesterday from Atlantic City where they had been sojourning and will spend the summer at the Stader summer home at McCoy's Spring. Mrs. Stader's daughter [illegible] who is visiting Mrs. Marie Pra[illegible] of Philadelphia, will join them later.

Fourth of July and Railroad Strike Made Second Deep Cut Weekly Rate of Production

Loss, 16,290 Tons, Heavier Than Followed Memorial Day, But Total Larger.

MORE FRICK OVENS FIRED

But Merchants Lose One Plant and 161 Ovens: President's Strike Settlement Plan Not Received With Favor, Not Clear as to Non-Union Position.

From The Weekly Courier.

Independence Day, and the slowing down which invariably follows the observance of a holiday by coke workers, together with the effect of the railroad shopmen's strike on transportation, cut another and much the deepest dent in the coke production curve, since it began its upward trend nine weeks ago.

The first of these breaks in the general course, which was caused by Memorial Day, reduced production by 10,660 tons to 48,470 tons. The larger curtailment of 16,290 tons last week caused a drop to 53,920 tons, which is more than 5,000 tons higher than the point to which the curve declined the first week in June. While the blow dealt last week jointly by the holiday and the railroad strike was more severe, the region has not lost the gain made since the first interruption to a progressive improvement in conditions governing production of coke.

Although operations of the merchant producers have been decreased one plant by the closing down of 145 ovens at Humphries and 16 at Meyers, or a total of 161 ovens, the H. C. Frick Coke Company continues to augment its active oven list sufficient to more than compensate for the defections in working forces at a few of the larger plants against which the union organizers have made their strongest drives. Notwithstanding the handicaps of the holiday and the shopmen's strike, which is interfering with the prompt placing of empty cars and the movements of loads, the Frick company made oven additions to a total of 62 at four plants already in production.

While some operators are disposed to become discouraged at the slow rate of recovery, and some mining operations have fewer men on the job than a week or 10 days ago, it is believed that in the region as a whole more men are at work today than at any time since the strike began to be felt. It is observed that a very considerable number of men who are working are developing a disposition to shift about from one plant to another. Their reasons are not always the same. Some go because of a more or less confirmed habit of changing place of employment frequently. Others are leaving because of the more or less constant baiting from strikers or their sympathizers who neglect no opportunity to urge men at work to quit their jobs. A result of this movement is that certain mines, and usually the smaller operations, will have their forces very much depleted one day and those of other mines not far away will be correspondingly increased. While this is going on a few men are coming back to work from day to day, and a few are quitting, but the effect of the changes is a slight but steady net gain in the number at work.

Just at this time the proposal of President Harding as a means of restoring mine activity pending an attempt to arbitrate the questions at issue between the operators in the unionized districts and the union officials, is a topic of much more lively interest than an increase in coke production. The suspicion, almost strong enough to become a conviction, is that the President "has had one put over on him." While authorship of the plan is credited the President, few coal and coke operators will be found who will not declare their belief that it had its inception and was wrought out in detail by the member of the Cabinet who is known to sustain a very close official as well as personal relation to labor. In consequence the President has unwittingly played into the hands of the leaders of the strike instead of having taken a position guaranteeing that the rights of the public, and especially of coal consumers, would be given first consideration.

The effect in the coke region will doubtless be to prolong the restoration to full activity. Even if the unionized districts go back to work resumption in the coke region will be retarded, and the struggle may break out with more bitterness, because the union organizers will, it is believed, come forward with a claim for recognition of the union before giving the word to take up tools again. The organizers have already promised the coke region workers that if they stay out for recognition after the men in the unionized districts have returned to work, they will be supported by benefits from the latter.

The President's plan lacks clearness with respect to the part, if any, that the non-union districts will have in the proceedings before the commission to be appointed, or the benefits to be derived from the negotiations.

Apparently the President has lost sight of the fact that during 1921 practically all of the union districts were closed down and that about the only coal mined was produced by the non-union districts in which the wages paid averaged 20 per cent or more under the 1920 scale, which the Administration directs shall be restored at once in the union districts and kept in force until April, 1923, in case the effort at arbitration fails. The non-union districts not having recognized the 1920 scale and not having been a party to the Washington conference, the operators in these districts naturally feel that there must be some further elucidation of the Administration's plan before they can give intelligent expression of their attitude with respect to it.

The decrease in output last week swells the total weekly coke production loss to 124,710 tons. Deducting the several weekly gains aggregating 28,670 tons, the net weekly loss becomes 96,040 tons which must be recovered before the pre-strike rate is regained. The record by weeks is given in the subjoined table:

Week Ending	Produc.	Weekly Decrease	Gain
April 1	149,980	....	......
April 8	134,420	15,540	......
April 15	98,810	35,610	......
April 22	64,980	33,830	......
April 29	54,230	10,750	......
May 6	52,200	2,030	......
May 13	54,150	......	1,950
May 20	57,130	......	3,280
May 27	59,130	......	1,700
June 3	48,470	10,660	......
June 10	58,663	......	10,193
June 17	66,850	......	8,190
June 24	68,050	......	1,200
July 1	70,210	......	2,160
July 8	53,920	16,290	......
Totals	1,091,170	124,710	28,670
Net Dec.	......	96,040	......

It is a coincidence that in the corresponding week of 1921 the production of coke dropped to 18,400, the lowest point in the history of the region for over 35 years. If the precedent of last year is followed the course from now forward will be in the direction of a gradual recovery with the advantage in favor of the present year, the production of last week having been almost three times greater. The respective situations are shown in the following tabulation:

Week Ending	1922 Ovens In	1922 Produc.	1921 Ovens In	1921 Produc.
April 1	11,964	149,980	4,712	50,075
April 8	12,881	134,420	3,178	31,765
April 15	9,098	98,819	4,143	47,220
April 22	5,698	64,950	4,768	51,580
April 29	4,863	54,230	4,716	48,710
May 6	4,820	52,200	2,873	50,520

The estimated production of coke during the week ending Saturday, July 8, was 53,920 tons, divided between the two districts as follows: Connellsville, 47,830, a decrease of 13,805 tons; Lower Connellsville, 6,090, a decrease of 2,485 tons, or a total decrease of 16,290 tons as compared with a gain of 2,160 tons during the preceding week.

By interests the production was: Furnace, 43,790, a loss of 11,250 tons; merchant, 10,130, a loss of 5,046 tons, as compared with a gain of 2,250 and a gain of 90 tons respectively during the week ending July 1.

WORKS FOR CHILD MUST KEEP WELL

Mothers in a Like Situation Should Read This Letter from Mrs. Enrico

Chicago, Illinois.—"I took Lydia E. Pinkham's Vegetable Compound for a serious trouble. I had tried doctors and all said the same—an operation. At first I only felt the pain on my left side, but later I seemed to feel it on both sides. I am a power sewing-machine operator and have a little girl to support. I work in a tailor shop and that line of work has been very slack this year and I am home part of the time. I do not like to take any chances, so I consulted my friends, and one lady said, 'Take Lydia Pinkham's medicine,' so I did. I have felt better right along and am in good enough health to go to work. I recommend your Vegetable Compound and Sanative Wash to all."—Mrs. MARY ENRICO, 459 N. Carpenter St., Chicago, Illinois.

Often the mother is obliged to support her children and good health is necessary. Lydia E. Pinkham's Vegetable Compound is just the medicine you can depend upon. It is a medicine for women's ailments and the relief it brought Mrs. Enrico it may bring to you. Keep well by taking Lydia E. Pinkham's Vegetable Compound.

Campers Cautioned To Be Careful as to Site, Water, Sanitation

Persons planning summer camping trips and outings are urged by the Department of Health to use care in selecting the sites for their camps if they desire to avoid disease and maintain their health.

"There are a large number of intestinal disorders, which occur among persons on their vacation trips, due to the contamination of drinking water, impure or poorly prepared foods or to general insanitary conditions," says a statement.

The statement urges that prospective campers, in selecting a health resort, avoid country places were the water supply is not properly protected from contamination, where the milk is not pasteurized or where proper methods of sewage and garbage disposal are not used.

Swimming in polluted water should be avoided, the statement says, and care should be exercised at seashore, lake and river resorts to prevent accidental drowning.

SCOTTDALE LEGION COMMUNITY PICNIC NEXT WEDNESDAY

All Arrangements Completed and Big Day at Oakford Expected.

MRS. M'INDOE IS CALLED

Special to The Courier.

SCOTTDALE, July 13.—All preparations are completed for the American Legion community picnic to be held at Oakford Park next Wednesday. The merchants have all consented to close on that day. The prize committee yesterday put prizes on display in Ferguson's window. An excellent program of sports has been planned. It will include races of various kinds, games, a baseball game between the business men and the Legion members. There will be dancing afternoon and evening. Free coffee and lemonade will be served.

Council Meeting Tonight.

A special meeting of council will be held this evening at which time it is thought the contract for the resurfacing of Broadway and the paving of Homestead avenue will be awarded.

Mrs. Ellen McIndoe Dies.

Mrs. Ellen McIndoe, 54 years old, died yesterday afternoon at the home of her sister, Mrs. John Williams. The funeral service will be held on Saturday at the home and interment will follow in the Mount Pleasant Cemetery. Mrs. Williams, the sister, is the only surviving member of the family.

Bible School Cost.

The Scottdale District Sunday School Association met at the Y. M. C. A. on Tuesday evening and heard the report of the Vacation Bible School. It was found that it had cost approximately $1.10 per pupil to conduct the school. This includes the teachers' salaries, the cost of books, materials for handwork, etc.

Fire at Kiefertown.

Yesterday afternoon about 1 o'clock a fire alarm was sent in and all the trucks quickly responded. An outhouse in Kiefertown was on fire.

Leaving for China.

James Laubach, son of Rev. and Mrs. E. H. Laubach, arrived home last evening from Tiffin, Ohio, and will be with his parents until August 4 when he will leave for San Francisco, from which city he expects to sail August 15 on the Empress Japan for China, where he will teach in one of the universities.

Semi-Annual Rally.

The semi-annual communion service of the United Evangelical Church will be held in the Porter & Stoner Hall, Pittsburg street July 16. The service will be in charge of Rev. Dr. C. E. Poling, who has spent over 20 years doing frontier work on the Pacific coast and is now presiding elder of the Somerset district of the Pittsburg Conference of the United Evangelical Church. The public is invited to attend any or all of these services. Saturday evening, 8 o'clock, followed by quarterly conference; Sunday morning, 9:30; preaching and communion, 10:45; preaching, 2:30 and also at 8 o'clock.

U. B. Outing.

The picnic of the Everson United Brethren Sunday school picnic will be held at Oakford Park on Saturday August 26. This Sunday school picnic has earned for itself the reputation of being one of the best held at Oakford each season. It has become the picnic of almost the entire town. So the invitation is again extended to any wishing a nice outing to attend this one.

Missionaries Coming.

Rev. and Mrs. Warren H. Hayes, who are United Brethren missionaries in Japan, will be at the Everson United Brethren Church Sunday evening at 7:30 o'clock to conduct services. This will likely be their last visit here before returning to Japan. Rev. Hayes is the son of a former Everson pastor.

For Sale.

Four-room house, lot 40x120 feet, for $1,500; $650 down, balance on terms. Can give possession by August 1.

Four-room house, Garfield avenue for $1,900.

Modern seven-room brick bungalow for $5,300.

Six-room house, Everson, for $1,350. E. F. DeWitt. Advertisement-13-3t

Personal News.

Mrs. Richard Riggin and son have gone to New Salem to visit friends.

Miss Ruth Fox of Findlay, Ohio, who is the guest of her aunt, Mrs. John Ruth of Mount Pleasant, visited with friends here on Tuesday.

For Sale—Another car in prices of Willard Batteries for Ford, Chevrolet, Buick, Oldsmobile, Essex, Oakland and Overland, $22.10 each. E. F. DeWitt, Willard Battery Service, Bell phone 299-J, 166 Marget street Scottdale, Pa. —Advertisement-13-3t

Shriners to Hold Outing August 3 At Idlewild Park

Shriners of Caravans 8 and 9 of Fayette and Westmoreland counties have made plans for an elaborate basket picnic and outing to be held at Idlewild Park Thursday, August 3, to which festivities all Shriners are invited. The outing will be a family affair, where all will join in the festivities, consisting of athletic, dancing and various other amusements with prizes for the winners. A baseball game between the respective caravans will be one of the main attractions of the day while dancing will be another feature, both afternoon and evening.

Samuel Freeman of Greensburg has been appointed general chairman of the affair and has already appointed his various committees. They have begun the work of laying out the plan and program which will be announced at a later date. A special train will leave Uniontown on a schedule that will provide stops at the principal stations of both counties. The schedule is to be announced later.

This is the first annual summer outing to be held by the local caravan and together with Caravan No. 9 of Westmoreland county it will undoubtedly be one of the largest held at Idlewild Park. Shriners from all parts of the two counties are planning to attend this affair.

Confluence

CONFLUENCE, July 13.—Quite a number of Baltimore & Ohio employes here expect to attend the Baltimore & Ohio veterans picnic at Olympia Park, near McKeesport, Thursday, July 20.

Herman Farnell is improving from a broken leg at Frantz Hospital.

A. B. Flannigan of Johnson Chapel is reported very ill at his home.

Mr. and Mrs. Bailey Paxton went to Buffalo Run, Md., yesterday on a visit.

Mrs. James Hook and two children of Somerfield were here yesterday on their way to Somerset to visit with friends.

A number from here attended the barn raising of Marcellus Burnworth at Johnson Chapel.

Republic Proclaimed, Report.

LONDON, July 12.—A rumor that an Irish republic has been proclaimed at Cork is printed by several of today's newspapers under Belfast date lines.

THURSDAY EVE'G, JULY 13, 1922.

"TO HOLD AN EMPTY SACK."

As more careful thought is given to the import of the President's strike settlement plan and the effect it will have on the non-union mining districts the plainer becomes the significance of the warnings and promises given the striking workers of the Connellsville region by the visiting organizers.

At the Shady Grove picnic the speakers made the admission that in case the negotiations in progress in Washington resulted in the return to work in the unionized districts such an arrangement would not apply to the non union districts. Understanding, as they did, that this would leave the strikers in the non union districts to shift for themselves the speakers promised that if the men now idle continue to hold out firmly for recognition of the union in the Connellsville region the union miners who return to work elsewhere will give them financial support. Remembering as the older workers in the region do how a similar promise made during the strike of 1894 failed of fulfilment they are not disposed to attach very much importance to the assurances of outside help at this time and for reasons which have been thus concisely stated by the Latrobe Bulletin.

"When the union miners went on a strike the first of April their organizers came into the non union fields and prevailed on many non union miners to join the strike on the ground that the union couldn't win the strike if the non union miners continued to supply the country with coal. There would have been a coal famine they said to bring the operators to terms. And so many non-union miners laid down their tools hoping thereby to help in the strike and to come in for whatever benefits the victory might carry with it including recognition.

"Now, however, the President is seeking to get the union leaders and the union operators to agree to a plan whereby the reopening of the union mines might be realized at once with the question of wages etc. to be submitted to a board of arbitration.

"And the union leaders say frankly that if the proposition is accepted, the union miners will go back to work at once.

But they say also the non-union miners must keep on striking until they win recognition for themselves.

But how would the non union miners ever win except by bringing about a fuel famine and how would there be brought about a fuel famine if all the union miners were to return to work and proceed to dig in with all their might in order to make up for lost time?

The coal that they would dig—400,000 of them—would go far toward keeping the country supplied with fuel.

Yet the non union miners would be expected to keep on striking subsisting on the financial and moral support promised them by the union.

"If the non-union miners laid down their tools in order to help the union miners win through forcing a coal shortage then why should not the union miners stay away from their tools and help the non union miners to win recognition?"

The question would seem as fair from one standpoint as from the other.

Yet the union leaders frankly state that if the President's proposal is accepted, the union miners will go back to work, right away.

"To be sure they promise their moral and their financial support—but they did the same thing back in 1894.

Everybody knows that it will take a long, long time to force the Connellsville region to become union. The only way by which it ever could be done would be to subject the country to so drastic a shortage of fuel as to compel the government to step in.

Yet if all the union miners are going back to work just as soon as their leaders arrange everything as to themselves there will not be a fuel shortage.

Where does this leave the non union strikers except to hold an empty sack?

"If the union miners played the game up to the handle they would say We'll not go back to work except the non union strikers are given recognition.

"But they evidently don't plan to hold out for anything of the kind. They will go back to work as soon as they have things settled for themselves—and then they will give benefits and their moral aid to the non-union strikers, left to carry on the fight.

This then is the situation confronting the striking workers of the coke region. Having quit work at the solicitation of the union miners in outside districts and without demands of their own for increased wages or in protest against a proposed reduction they have received absolutely nothing but repeated promises of victory and have nothing more substantial in prospect than still other vague and indefinite assurances that they will receive benefits if they but continue to hold an empty sack."

Burgess Louis S. Mellinger was the type of man any community can ill afford to lose. Intensely public-spirited and constantly alive to the best interests of all the people of Dawson and vicinity, conscientious in the discharge of his duties as a public official, true to his convictions, loyal to his friends, warm-hearted and of generous impulses he had won a large place in the affections of his fellow townsmen. For these qualities of mind and heart and the things he did out of an unselfish desire to render useful service he will be long remembered as one of the best known and deservedly most popular citizen of the Yough Valley.

The weatherman having been showering us with promises of showers those of today promise to make the promiser's promises good.

The offer of a reward for the arrest and conviction of persons implicated in the Herrin mine massacre creates the impression that the Illinois authorities have really discovered a crime to have been committed in their state.

Settlement of the shop crafts strike seems to be moving by slow freight. But the hope is that it will have a white light all down the line.

When the Law Shows Winged Heels

Latrobe Bulletin.

On Monday of the present week a young man named Raymond Hazlett, of Tarentum, attacked Miss Catherine Smith, a 17 year old Connellsville high school girl, as she was walking near her home in Lower Tyrone township. A fragment of his necktie clutched in the hand of the girl, led to his speedy capture.

On Wednesday afternoon two days later he was arraigned before Judge J. Q. Van Swearingen in Uniontown. He admitted the crime but said he had been drinking and had not realized what he was doing.

"Do you now realize the seriousness of the crime with which you are charged?" asked the court.

"Yes sir I do," the young man replied. "It was the moonshine. I was not brought up that way."

Not brought up that way—but that was the way into which he had fallen.

The court upon ascertaining that he had only recently been released from the penitentiary after serving four years on a charge of robbery proceeded to sentence him to serve not less than 26 years nor more than 50 years in the same institution.

On Monday, July third, he committed a gross crime. Today he is in the penitentiary for a stay of 26 years.

Justice doesn't always move slowly.

Chamber Director Named.

GREENSBURG, July 13.—At a meeting of the directors of the Chamber of Commerce yesterday the resignation of Charles McKenna Lynch as a director was received and accepted. Dr. W. J. Scotts was elected to fill the vacancy.

FRECKLES AND TAN.

Freckles and tan, freckles and tan
Finest of garbs for a glad little man!
Give me the noses
Turned upwards and spotted,
Pudgy and wee,
And sunburned and dotted,
Give me the faces
As brown as the berries
Wearing the graces
God gives to such cherries;
Give me the grin and the glorious span
Of the mouth that is bordered with freckles and tan.

Freckles and tan, freckles and tan,
Badge of a boy since the world first began.
Hair that is tousled
And matted and wiry
Frequently frowzled
And stubborn and fiery
Eyes that are never
Dull colored or teary
Mouth that forever
Is mirthful and cheery
Something is set him but I never can
The boy that God blesses with freckles and tan.

Freckles and tan, freckles and tan
Child of a youthful and glorious clan.
Give me the grinning
And mischievous face
Waists that need pinning
In several places
Give me the knickers
Of boyhood and chickens
Ill fitting knickers
And scarred shins and knuckles—
There where the future may look for its man
For never a weakling wears freckles and tan.

Yesterday afternoon a man driving a car out College avenue struck the back end of the touring car of Frank Devorak, tearing off both wheels.

Personal News.

Mr. and Mrs. Terry Donnelly, who visited friends in England, returned home on Tuesday.

Miss Virginia Noss has gone to Auburn, N. Y., to visit her sister, Mrs. R. J. Manchester.

Miss Elizabeth Hitchman has gone to Rockworth Camp at Brevard, N. C., to visit with Greensburg friends.

Mrs. Ernst Ruder of Niagara Falls is visiting Mr. and Mrs. Oscar Ruder.

Mr. and Mrs. Arthur Lyda have returned to their home at Wilkinsburg after a visit paid friends here.

How to Increase Weight and Put on Solid Stay-There Flesh

What difference does it make to you how Evans' Triple Phosphates puts good, solid, red-blooded, healthy flesh on your body as long as it does it and makes you feel 100 per cent better at the same time?

Evans' Triple Phosphates is something new and something that really does what is claimed for it. Start to take it today with each meal, and in four days you'll know that you are growing more robust and feel stronger and more active. Continue with the treatment faithfully for 10 days more and note with satisfaction that your nerves are growing more responsive; that your ambition does not lag but is cheerfully obedient to your wishes, that a touch of color is appearing in your cheeks and that your occupation ceases to become a task and is a pleasure. Notice that never before in your whole life have you enjoyed living as you do today. Weigh yourself at the end of one month and let the scales tell the story.

Connellsville Drug Co., C. Roy Hetzel and all good druggists have agreed to apply this run-down, under-developed persons with the understanding that if one month's treatment doesn't give more gratifying results your money is waiting for you. But don't take it even though it accomplishes wonders in nervous digestive troubles and as a nerve tonic, unless you really want to put on flesh and gain weight.—Advertisement.

Better Fruit Crops Than Were Expected

HARRISBURG, July 12.—In spite of all the reports of great damage done by frosts Pennsylvania will have a 10,000,000 bushel apple crop after all. The State Department of Agriculture's statistical bureau estimates from its reports that the crop will be over two-thirds of the normal yield.

Last year the yield was cut to pieces by the "Easter freeze" and 1,766,000 bushels formed the yield against 16,454,000 in 1920, the banner year. Prospects for this year are far better than 9,500,000 bushel. The three-year average is given as 7,911,000 bushels.

The peach prospects are for 877,000 bushels, or almost half of the normal but this will be better than last year when only 265,000 bushels wer had.

The pear crop is forecast at 145,000 bushels against 150,000 last year.

The plum crop was hard hit by frosts and will not be half the usual yield, while cherries were better than expected and berries good.

FRECKLES

Don't Hide Them With a Veil; Remove Them With Othine—Double Strength.

This preparation for the treatment of freckles is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of Othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength Othine; it is this that is sold on the money-back guarantee. —Advertisement

Ohiopyle

OHIOPYLE, July 13—Mrs. William Kinsley and baby returned home to Morgantown, W. Va., Tuesday after a several weeks' visit with her parents, Mr. and Mrs. J. H. Nicholson.

Mrs. E. J. Wolfe and son spent Tuesday calling on Connellsville friends.

Mrs. Liston Joseph and two daughters of Bear Run were callers in town yesterday.

Use our classified advertisements.

Mr. and Mrs. R. W. Whipkey and children and Mr. and Mrs. R. E. Ruse motored to Dawson Sunday and spent the day.

Miss Evaline Jackson is the guest of Miss Mildred McNair at Mill Run.

Mrs. L. White and children are spending a few days in Connellsville.

Miss Helen Ruse spent Sunday the guest of Mr. and Mrs. A. E. Tissue.

Miss Margaret Stewart is the guest of her uncle and aunt, Mr. and Mrs. George Stewart, at Point Marion.

Mrs. M. W. Chitester was a caller in Connellsville yesterday.

Mrs. Anna Stewart, who has spent the past month here, has returned to Perryopolis.

Miss Adele Damas has gone to Connellsville after a visit here.

Mrs. Hurst and children of Connellsville are vacationing at Bear Run.

PESKY BED BUGS

Bedbugs lay an average of seven eggs per day. Under favorable conditions they hatch in five days of which two-thirds are females. They mature to adult size and are capable of laying in four weeks. How many bedbugs would you have in a year if you left one female or egg unmolested for one year?

To rid the pesky bedbug, you readily see how necessary it is to use a preparation that will kill the eggs as well as the live ones.

P. D. Q. has been demonstrated by the leading Hospitals, Hotels and Railroad Companies that the safest and most economical way to stop future generations of bedbugs, roaches, fleas and ants is to use the new discovery Pesky Devils Quietus "P. D. Q."

A 35c package of P. D. Q. makes a quart, enough to kill a million bedbugs, roaches, fleas and roaches and at the same time destroy their eggs.

Impossible for them to exist when P. D. Q. is properly used. Free a patent spout in every package to get the pesky devils in the hard-to-get-at places and save the juice.

P. D. Q. is not an insect powder, no mess or dust, does not rot or harm the bedding.

P. D. Q. for family use $50. Hospitals size $2 50 makes five gallons. P. D. Q. can also be purchased in sealed bottles, double strength, liquid form.

Genuine P. D. Q. is never peddled.

For sale by J. C. Moore.

To Reduce Dangerous Varicose Veins

People who have swollen veins or bunches should not wait until they reach the bursting point which means much suffering and loss of time, but should at once be free from any trouble by using a two-ounce original bottle of Moone's Emerald Oil (full strength.)

By using this powerful, yet harmless germicide treatment improvement is noticed in a few days and by the regular use swollen veins will return to their normal size and sufferers will cease to worry. Moone's Emerald Oil treatment is used by physicians and in hospitals and is guaranteed to give complete results or money refunded.

It reduces all kinds of enlarged glands, goiter and wens and is used exclusively in many large factories as an unfailing first aid to the injured antiseptic. Connellsville Drug Co. can supply you. Advertisement.

GIRLS! LEMONS BLEACH FRECKLES AND WHITEN SKIN

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, which any drug store will supply for a few cents, shake well, and you have a quarter pint of the best freckle and tan bleach, and complexion whitener.

Massage this sweetly fragrant lemon lotion into the face, neck, arms and hands each day and see how freckles and blemishes bleach out and how clear, soft and rosy-white the skin becomes.

The Sporting World

Scottdale Boy, Coker First Sacker, to Play With Locals in Series

"Smiles" Stauffer Will Oppose Home Town Outfit in Opening Clash.

BIG CROWD WILL ATTEND

The Connellsville Cokers have one advantage over the Scottdale Independents which that team cannot duplicate. The locals have a Scottdale resident in their line-up but no star from this city graces a uniform of the Mill Town outfit.

When the Independents go to Scottdale Saturday afternoon they will travel to their first baseman. It will be the first time in two years Stauffer has not had to make the trip to Connellsville to play ball. "Smiles" will be waiting for his mates and his presence on the initial sack is adding increased interest to the game in Scottdale.

The Westmoreland county athlete is really better known in this county than his own. He has played baseball for two years now with the locals and last basketball season he was on a team in Uniontown and also the Snyders of the local City League.

The three game series which opens Saturday is attracting the interest of fans who have hardly paid attention to the game this season. Many Connellsvillians will be at the Scottdale playing field but the turn-out here is the one in which the local management is interested. Neither game is being played on a percentage basis and the returns of the game go in their entirety to the home team.

Jr. O. U. A. M. Team Defeats All Stars

The Junior Order of United American Mechanics' team defeated the Dickerson Run Y. M. C. A. All-Stars in a twilight game at Fayette Field yesterday evening 7-6. The game was featured by misplays and a rally started by the locals in the second frame when five runs were scored.

The visitors scored their runs in pairs getting two almost every other inning. H. Fisher did some snappy hitting for the Juniors. Durbin held the visitors scoreless from the second until the seventh when another tally was added being the winning run.

The score by innings:

All-Stars	020 200 20-	6
Juniors	060 000 10-	7

Batteries—Durbin and Hoffman; Barnhart, Hauser and Jones.

The Hill Top All-Stars defeated the Connellsville Malias last evening 13-2.

* * * * * *

The First Presbyterian Church baseball team defeated the Christians at May Field last evening 7-3.

* * * * * *

The West Side playgrounds team lost to the North End in a game yesterday morning by a 5-1 score.

* * * * * *

The West Penn and Baltimore & Ohio baseball teams play this evening at 5:45 o'clock at Fayette Field.

* * * * * *

The Korro Juniors defeated the Slavish school nine yesterday 3-1 and took the final of a four game series. The batteries were: Komos, Rulli, Schrum and Honisek; Slovak school, Mickey and Forgach.

Careful Crossing Campaign Brings Results on B. & O.

Special to The Courier.

BALTIMORE, Md., July 13—Successful results of the Careful Crossing Campaign on the Baltimore & Ohio Railroad are already evident. Although the campaign continues until September 30 satisfying reductions were made in June that fully repay the railroad company for inaugurating the campaign along with all the other railroad lines of the country.

In the month of June on the Baltimore & Ohio there was a reduction of 23 per cent in casualties compared with June 1921, due to automobiles striking or being struck by trains. There was a 13 per cent reduction as compared with June of last year in all kinds of grade crossing accidents.

As regards the number of automobile accidents there were 15 per cent less machines involved this year as compared with June 1921. There were 10 per cent less accidents of all kinds. That means less pedestrians struck, less horse-drawn vehicles run down.

The Careful Crossing Campaign was launched primarily to educate the automobile driver to use greatest precautions when approaching and passing over railroad tracks. There are still some reckless drivers who should heed the campaign slogan "Cross Crossings Cautiously" for in an analysis of the automobile accidents at grade crossings on the Baltimore & Ohio in June last it shows that 16 per cent of them happened because the automobilist ran into crossing gates which were lowered or ran his car into the side of an engine or railroad cars already passing over the crossing.

It is scarcely believable that such a large number of drivers crash into gates put there for their protection, or are so foolish to think that they can push an engine or freight or passenger cars off the tracks and get by.

If this kind of accident alone could be eliminated there would be a very marked reduction in grade crossing accidents. Of the 13 persons injured [illegible] in the first half of June on the Baltimore & Ohio [illegible] of them were in machines that were [illegible] into the sides of trains.

Weed, Feed and Breed, Advice to County Dairymen

Weed, Feed and Breed should [illegible] the present day [illegible] of [illegible] the county dairy farmers who wish to make a profit in spite of [illegible] the price of milk says County Farm Agent [illegible] Kimberlin [illegible] some interesting [illegible] from [illegible] cow testing [illegible] operations compiled by Pennsylvania State College dairy extension men. They show that herds that were producing milk at a profit three years ago are still doing it despite the big drop in the price. The weed out of board cows, the application of proper feeding methods and attention to breeding have enabled them to do it. The secret is an increase from an average of 6,000 pounds of milk per cow in a year to 8,000 pounds per cow in the testing associations cited during the period from 1918 to 1921.

It is the cow that is producing more than 8,500 pounds of milk or [illegible] pounds of butter fat in a year that has proved to be a salvation to the milk producer during the past year of economic readjustment. A comparison of high producing with low producing herds illustrates this point. In one the average production per cow was 8,240 pounds milk and [illegible] pounds of butter fat, the net cost to produce 100 pounds of milk being $1.18 and [illegible] cents for a pound of butterfat. In the lower producing herd the milk amounted to [illegible] pounds and [illegible] pounds for the butterfat per cow, the milk costing $2.41 per hundredweight and the butterfat 59 cents a pound.

More Germans Can Import Coal.

Advices from Berlin state that German manufacturers and house holders now can import coal. Formerly only German firms manufacturing for export were allowed import permits.

Why Clinkers in Your Gas?

CLINKERS in coal give no heat and clog the furnace. Likewise in gasoline. If gasoline vaporized completely at 425 degrees it has less "clinkers" than at 450 degrees. The end boiling point of Waverly Gasoline is around 460.

Other indications of "clinkers" are starting difficulty, carbonizing, knocking and diluting of crankcase oil.

Look for the Waverly sign when you need gas. "All" [illegible] Waverly [illegible] the same thing. Know the pleasure and economy of better motor fuel.

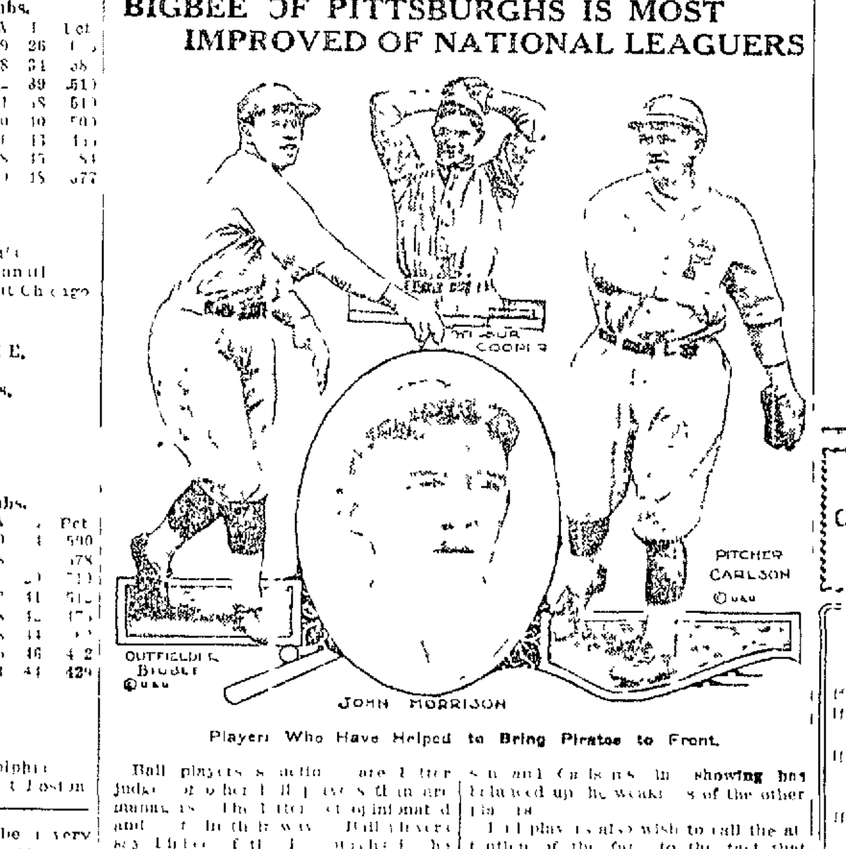

Waverly

ALL PENNSYLVANIA

Pennsylvania oil fields are the oil from which Waverly distills better gasoline.

OIL WORKS CO. PITTSBURGH

BIGBEE OF PITTSBURGHS IS MOST IMPROVED OF NATIONAL LEAGUERS

Players Who Have Helped to Bring Pirates to Front.

Ball players [illegible] are better judges of other ball players than are managers. [illegible] and [illegible]. Ball players say Bigbee [illegible] most improved [illegible].

[illegible] his work is solid and he is one of the men who helped to bring [illegible] to the front after a bad start. He is [illegible] league [illegible] and he is faster [illegible].

Carlson Also Helps

Players also [illegible] but at the [illegible] son responsible for the advance of the [illegible] Carlson pitcher [illegible] Pittsburgh [illegible] was best [illegible] and Carlson [illegible] showing has [illegible] the weakness of the other [illegible].

Ball players also wish to call the attention of the fans to the fact that [illegible] the best pitcher [illegible] in the National.

Pirates May Spurt

[illegible] of the Giants don't say that Pittsburgh will win this year, but there [illegible] players who insist that Pittsburgh may come from behind and grab the [illegible] of 1922 from New York exactly as New York grabbed it from Pittsburgh in 1921. "Take it from me," said a veteran of the Cincinnatis, "there will be no celebration by the Pittsburgh players over winning the [illegible] until it is won. [illegible] Chicago [illegible] in 1921 [illegible] conditions and far reaching festival.

At the Theatres

THE SOISSON.

"TROUBLE," a delightful picture with Jackie Coogan the child actor in the stellar role, is the leading attraction today, tomorrow and Saturday at this theatre. The picture is one of real entertainment worth and provides a splendid role for the wonderful child actor. He is supported by a splendid cast. A two reel selected comedy is also included on the program. Pauline Frederick, the celebrated actress, will be seen soon in "Clementina."

THE PARAMOUNT.

"I AM GUILTY"—The feature picture today presents Louise Glaum in the leading role. "I Am Guilty" is a thrilling mystery story of a somewhat different type. In her new vehicle Miss Glaum plays the ... neglected wife who accepts ... the invitation of a friend from the days of the chorus to take ... At a party ...
